Entry deadline extended to May 7th, 2021

The Gravure Association of the Americas announces ACiMGA has joined the 2021 Golden Cylinder Awards as Co-Sponsor. ACiMGA's sponsorship adds another international dimension to the Golden Cylinder Awards. ACiMGA, the sponsor of Roto4All, will be promoting the competition amongst their membership. All entry forms will need to be received no later than May 7th, 2021. The print samples need to be received by May 14th so they can be organized for the judges review. The judges are looking forward to examining the entries and giving recognition to those printers who are truly world class - not satisfied until the job is outstanding.

As you know, we work to recognize the best of the best in packaging, labeling, gravure-created products, publication, technical innovation and more.

To submit an entry, simply visit: <https://gaa.org/awards/golden-cylinder-awards/> and download an application. All entries must represent work completed during the 2020 calendar year and must include an entry fee. Submissions are open to both GAA members and non-members alike.
